Pediatric Power Hour: Addressing Human Trafficking at UIHC

Purpose/Description:

Pediatric nursing leadership has collaborated with multidisciplinary experts to identify relevant educational topics and issues that affect the way nurses care for patients in the acute care pediatric inpatient setting. Best practices, research and evidence-based literature will provide the foundation for all discussion. The format for this education series ranges from classroom lecture to simulation of patient care.

Objectives:

- Increase understanding of the issue of human trafficking and its identification
- Understand the role of staff in identifying human trafficking at UIHC

Speakers:

Shannon Findlay, MD, MPH, CTropMed

Clinical Assistant Professor
Assistant Medical Director
Department of Emergency Medicine

Brittany McGraw, LISW, ACSW

Psychotherapist
Department of Psychiatry

Individuals with disabilities are encouraged to attend all University of Iowa-sponsored events. If you are a person with a disability who requires an accommodation in order to participate in this program, please contact the Department of Nursing in advance at (319) 356-1238.

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy, disability, genetic information, status as a U.S. veteran, service in the U.S. military, sexual orientation, gender identity, associational preferences, or any other classification that deprives the person of consideration as an individual. The university also affirms its commitment to providing equal opportunities and equal access to university facilities. For additional information on nondiscrimination policies, contact the Director, Office of Equal Opportunity and Diversity, the University of Iowa, 202 Jessup Hall, Iowa City, IA, 52242-1316, 319-335-0705 (voice), 319-335-0697 (TDD),
