Determination of educational content for this program and the selection of speakers are responsibilities of the program director. Firms providing financial support did not have input in these areas.

DISCLOSURE POLICY: Everyone in a position to control the content of this educational activity will disclose to the CME provider and to attendees all relevant financial relationships with any commercial interest.

Designed for primary care physicians, nurses, social workers, and other healthcare professionals, this conference instructs participants in the diagnosis.

GENERAL INFORMATION

Credit

The University of Iowa Roy J. and Lucille A. Carver College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Physicians: The University of Iowa Carver College of Medicine designates this live activity for a maximum of 6.75 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: Effective March 18, 2020, Iowa nurses may use participation in ACCME-accredited education toward their CE requirement for licensure. A certificate of participation will be available after successful completion of the course. (Nurses from other states should confirm with their licensing boards that this activity meets their state's licensing requirements.)

Other Professionals: A Certificate of Attendance will be provided.

Disability Statement:

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy, disability, genetic information, status as a U.S. veteran, service in the U.S. military, sexual orientation, gender identity, associational preferences, or any other classification that deprives the person of consideration as an individual. The university also affirms its commitment to providing equal opportunities and equal access to university facilities. For additional information on nondiscrimination policies, contact the Director, Office of Equal Opportunity and Diversity, the University of Iowa, 202 Jessup Hall, Iowa City, IA, 52242-1316, 319-335-0705 (voice), 319-335-0697 (TDD), diversity@uiowa.edu.

Individuals with disabilities are encouraged to attend all University of Iowa sponsored events. If you are a person with a disability who requires an accommodation in order to participate in this program, please contact the Continuing Medical Education Division in advance at 319-335-8599.

Purpose

Designed for primary care physicians, nurses, social workers, and other healthcare professionals, this conference instructs participants in the diagnosis, treatment, and management of conditions common in older adults. This year's program focuses on care of persons with major neurocognitive disorders.

Objectives

Upon completion of this program the learner should be able to:

Recognize non-dementia signs of cognitive impairment

Review the differential diagnoses of cognitive impairments and complexities of diagnosis

Discuss the components of decision-making capacity assessment

Describe Guardianship and Conservatorship under Iowa law

Apply recent research updates in dementia to clinical practice

Analyze the appropriateness, risks and benefits of medications designed to enhance cognition in persons with dementia

Discuss developments in amyloid therapies including the role of aducanumab in Alzheimer's Disease treatment.

Explore challenges and best practices in providing end of life care to persons with dementia

FACULTY

University of Iowa

Nicholas Butler, MD, MBA Clinical Associate Professor of Family Medicine

Gerald Jogerst MD Professor Emeritus

Hyungsub Shim MD Clinical Assistant Professor of Neurology
