Acknowledgements

The University of Iowa Health Care Department of Nursing would like to thank the education committee of the Hawkeye Chapter #149, National Association of Orthopaedic Nurses, for the development of this program.

The University of Iowa Health Care Department of Nursing Services and Patient Care's continuing education programs are developed under the supervision of Christina Woline, DNP, RN, NPD-BC, Associate Chief Nursing Officer—Professional Practice.

GENERAL INFORMATION

Educational Objectives:

Upon completion of this program, learner should be able to:

- Discuss the history and clinical presentation, physical exam, relevant imaging and treatment options for rotator cuff tendinitis to rotator cuff tearing.
- Discuss signs and symptoms of joint infections, treatment options available and antibiotics used to treat these. Discuss common side effects of the medications.
- Describe different options for spasticity management.
- Describe the basic methods utilized in physical therapy for patients with pain.
- Identify answer to trivia questions on the subject of orthopedic conditions, diagnosis, and nursing care of patients with orthopedic conditions.
- Identify emergency situations in the post anesthesia care unit and how to correctly respond as soon as possible.
- Describe different interventions and medications used to reduce acute pain for post operative patients.
- Discuss the rationale for management of adolescent idiopathic scoliosis.
- Discuss clubfoot and its treatment using the Ponseti method.
- Discuss risk factors for development of Charcot Arthropathy and current evidence-based management approaches.

Schedule and speakers are subject to change. Faculty are staff of University of Iowa Health Care and/or University of Iowa Colleges unless otherwise indicated.

Education Credits:

in support of improving patient care, this activity has been planned and implemented by The University of Iowa Roy J. and Lucille A. Carver College of Medicine and The National Association of Orthopaedic Nurses Hawkeye Chapter #149. The University of

Iowa Roy J. and Lucille A. Carver College of Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Nurse: The University of Iowa Roy J. and Lucille A. Carver College of Medicine designates this activity for a maximum of 7.75 ANCC contact hours.

Other Health Care Providers: A certificate of participation will be available after successful completion of the course. (It is the responsibility of licensees to determine if this continuing education activity meets the requirements of their professional licensure board.)
