12:20 PM	The Chemosensory Nose	Basile Landis
12:50 PM	Lunch	Faculty
2:00PM	Lab	
4:30	Adjourn	

Iowa Functional Endoscopic Sinus Course

May 8th & 9th, 2026

IOWA
HEALTH CARE

Intended Audience:

Head and Neck Surgeons,
Neurosurgeons, Nurses
and PAs.

Lectures carefully assess the best possible approaches to common and complex treatments. Laboratory sessions allow for the practical refinement of the techniques and treatments discussed during the lectures.

Exhibitors will have a display table outside the Alumni Conference room between Elevators L and M

Educational Objectives

- Apply new guidelines for optimal evaluation and treatment of adult and pediatric patients with sinusitis.
- Recognize and prescribe treatment options for patients failing standard therapies for chronic rhinosinusitis.
- Apply current diagnostic, medical and surgical protocols to the treatment of sinus disease.
- Demonstrate effective use of endoscopic instruments and powered instrumentation to perform key steps of functional endoscopic sinus surgery (FESS).

Continuing Education Credit

In support of improving patient care, the University of Iowa Roy J. and Lucille A. Carver College of Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician: The University of Iowa Roy J. and Lucille A. Carver College of Medicine designates this live activity for a maximum of *11.25 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Provider: All other participants will receive a certificate of participation for this conference upon completion of the online evaluation. It is the responsibility of each attendee to determine if the continuing education programs they attend meet the requirements of their professional licensure board.
