Jeff Pettit is Associate Director of OCRME and Associate Professor, Department of Family Medicine. He has been with OCRME since 2006. Jeff provides consultation in the areas of instructional design and curriculum development, resident and faculty teaching skills, and leadership and team development. He received his M.A. and Ph.D. degrees in Business Administration with a major in Human Resources from The University of Iowa. He has many years of experience in academia and business. Jeff has taught a wide variety of courses at both the undergraduate and graduate levels. He has provided organization development consulting and facilitation to an assortment of businesses in the areas of leadership and teams. He has been published in leading journals and presented topics at the regional, national, and international levels. Jeff works closely with the Graduate Medical Education office to provide teaching skills and leadership training to residents and fellows. He will be teaching **Instructional Design and Technology, Leadership in Medical Education, and Curriculum Development in Medical Education.**
