# Session Information

## TOOLS IN THE TREATMENT OF ANXIETY DISORDERS

Hanna Stevens, MD– UI Department of Child and Adolescent Psychiatry

### Objectives:

1. Review tools that can be used for assessment of children with anxiety
2. Identify resources for families of children with anxiety
3. Discuss resources for prescribing medication for children with anxiety disorders

## “THE RAGE” UNDERSTANDING DISRUPTIVE BEHAVIORS

Deborah Bahe, ARNP - Child Health Specialty Clinics

### Objectives:

1. Describe what are disruptive behaviors
2. Recognize the significance of disruptive behaviors
3. Identify what to do for disruptive behaviors

## INTRODUCTION TO THE IOWA PEDIATRIC MENTAL HEALTH COLLABORATIVE

Thomas Scholz, MD - UI Division of Child and Community Health

### Objectives:

1. Review the goals and objectives of the Iowa Pediatric Mental Health Collaborative
2. Discuss trainings to develop capacity of primary care providers to treat children with mild to moderate needs within their medical home
3. Describe consultation service between primary care providers and University of Iowa Child and Adolescent Psychiatrists
4. Recommend connection with Regional Pediatric Mental Health Teams for care coordination and family to family support

## ADHD: MULTIFACETED DIAGNOSIS AND TREATMENT

Nancy Beyer, MD - UI Department of Child and Adolescent Psychiatry

### Objectives:

1. Identify key components of diagnosis
2. Consider manifestations of diagnosis in various domains of function
3. Identify pharmacologic options for treatment, with guidelines for dosing
4. Identify non-pharmacologic interventions

## DEPRESSION MANAGEMENT IN CHILDREN AND ADOLESCENTS AND OVERVIEW OF SUICIDE RISK ASSESSMENT

Edward Buckingham, MD - UI Department of Child and Adolescent Psychiatry

### Objectives:

1. Define the common presenting symptoms of child and adolescent depression
2. Outline the primary treatments for child and adolescent depression
3. Identify the major risk factors for suicide attempts and completions
4. Describe common interventions to address acute and chronic suicide risk factors

# General Information

## STATEMENT OF PURPOSE

The purpose of this conference is to help primary care providers increase their capacity to treat children and youth with mild to moderate mental health needs within their medical home. Conference sessions will include information about identifying, assessing, and treating common child and adolescent psychiatric disorders such as ADHD, Anxiety and Depression.

## AUDIENCE

Pediatricians, Family Practice Physicians, Nurse Practitioners, Physician Assistants, Registered Nurses, Licensed Practical Nurses, and Mental Health Providers.

## LOCATION
