Sponsored by:

Department of Nursing Services and Patient Care IBN
Approved Provider #34

Changing Medicine.
Changing Lives.®

GENERAL INFORMATION

Educational Objectives

Upon completion of this program, learner should be able to:

- Discuss how to identify human trafficking, provide resources, and address issues using trauma-informed care.
- Describe the difference between seizures and non-epileptic events.
- Quantify patients served on a medicine-psychiatry unit and compare against a conventional med-surg unit.
- Identify how psychiatric illnesses and liver illnesses intersect, and discuss challenges in treating individuals with both psychiatric and liver illnesses.
- Discuss psychiatric components of COVID-19 infection including fatigue, depression, anxiety, post-traumatic stress disorder (PTSD), and cognitive disorders as well as the mental health impact among health care workers.
- Describe the process for using yoga intervention and the benefits of yoga for patients on inpatient units.

Continuing Education Credit

Nursing Credits: **6.5 contact hours** will be granted by University of Iowa Hospitals & Clinics Department of Nursing (IBN Approved Provider #34). Participants must attend the entire program to receive full credit.

Questions concerning nursing credits should be directed to the Nursing Clinical Education Center at (319) 356-1238.

Planning Committee Members:

Cassandra Drees-Duncan, MHS, RN, CMSRN
Paula Farquharson, RN
Heidi Robinson, DNP, RN, CNML
Leigh Weber, BA, RN
