

## 2023 Advanced Fetal Heart Monitoring Dates:

January 31 (Virtual); May 31; August 2, September 12; December 13

**Location:** 8770JPP, UI Hospitals & Clinics, Iowa City, IA

**Audience:** This course is designed for clinicians who have a minimum of 6 months of clinical practice using fetal heart monitoring in their care of intrapartum patients, previously completed a formal basic or foundation fetal heart monitoring course, and current experience using fetal monitoring technology in their intrapartum clinical settings.

**Purpose:** The Advanced FHM course conveys the application of advanced fetal heart monitoring knowledge and skills.

**Description:** This 1-day instructor-led course is designed to prepare clinicians to care for patients with complex fetal heart monitoring tracings.

Course components include:

- Complex case studies that include recommended interventions
- Communicating with colleagues
- Advanced principles of maternal-fetal physiology
- Optional online post-test is available (required for UIHC staff)

**Nursing Credits:** Participants who attend the full day of the course are awarded seven (7) hours of continuing nursing education (CNE) credit or seven (7) hours of continuing medical education (CME) credit. The course includes an optional posttest with 80% being the requirement for successful completion. AWHONN is accredited as a provider of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditation. AWHONN also holds a California BRN number: California CNE provider #CEP580.

**Accredited status does not imply endorsement by AWHONN or ANCC of any commercial products displayed or discussed in conjunction with an activity.**

### Faculty (may include):

**Jeana Forman**, MSN, RNC-OB, Nursing Practice Leader, Children's and Women's Services, Department of Nursing

**Julie Zimmerman**, MSN, RNC-OB, C-EFM, Clinical Practice Leader, Labor and Delivery, Children's and Women's Services, Department of Nursing

Faculty is AWHONN FHMPP Instructor.

### Objectives:

1. Describe physiologic principles of maternal and fetal oxygen transfer as they apply to principles of fetal heart monitoring.
2. Appraise the fetal response to maternal pathological and physiological adaptations during the labor process.
3. Analyze complex case studies and tracings using standardized terminology.
4. Apply perinatal risk management principles, communication techniques, and documentation strategies to complex and challenging patient care scenarios.

### Schedule:

08:00	Introduction
08:30	Culture of Safety
09:30	Physiological Adaptations
10:30	Break
10:45	Fetal Arrhythmias
11:45	Lunch
12:30	Complex Case Studies
2:30	Break
2:45	Complex Case Studies
4:00	Course wrap up, instruction about accessing optional test, evaluation and certificates
4:15	Adjourn

## Course Fees:

- **UIHC OB Nurses working on the in-patient units:** No Fee (Course materials will be provided)
- **All Other UIHC Staff:** \$80, which does not include the cost of the AWHONN required course materials.
- **Participants outside UIHC:** \$80, which does not include the cost of the AWHONN required course materials.

Details regarding purchasing required materials is listed under Course Materials.

Payment of fees required at time of registration. CME is not provided through UIHC.

Refund Policy: Full refund (minus \$10 cancellation fee) if notification received on or before the registration deadline.

Course Date	Registration Deadline
January 31, 2023	January 10, 2023
May 31, 2023	May 10, 2023
August 2, 2023	July 12, 2023
September 12, 2023	August 22, 2023
December 13, 2023	November 22, 2023

**Course Materials:** Registrants are responsible for purchasing / accessing course reading materials at the following website: <https://awhonn.kendallhunt.com>. See website for current pricing.

- *Fetal Heart Monitoring Principles and Practices, 6<sup>th</sup> Edition.*
- *Advanced Workshop Student Materials, 6<sup>th</sup> Edition.*

Course Materials	Outside Participant & All Other UIHC Staff	UIHC OB Nurses
Textbook: Fetal Heart Monitoring Principles and Practices 6 <sup>th</sup> Edition	Purchase from Kendall Hunt	Provided by Nursing Practice Leader
Student Workbook: Advanced Workshop Student Materials 6 <sup>th</sup> Edition	Purchase from Kendall Hunt	Provided by Nursing Practice Leader
