INTENDED AUDIENCE

Academic and community-based radiologists, radiology residents, fellows, radiology technologists and other physicians.

PURPOSE

Current practices in Emergency Radiology are continuing to change with evolving paradigms in imaging in acute pathologies of abdomen and pelvis. Radiologists and their patients can benefit from recent advances in the field as well as by improvements in day-to-day workflow. The 2023 annual meeting of Iowa Radiologic Society will explore these topics with local and national experts in their fields.

EDUCATIONAL OBJECTIVES

- Discuss the Radiologic manifestations of immunotherapy complications in the chest, abdomen and pelvis
- Discuss the imaging evaluation of pancreatitis
- Evaluate acute, uncommon, hepatobiliary pathology
- Evaluate uncommon emergency cases in abdomen and pelvis
- Discuss the current regulatory and legislative landscape in which the American College of Radiology (ACR) operates
- Describe the CPT codes and reimbursement
- Discuss issues pertinent to Radiology rural practice

REGISTRATION

The registration fee is \$150 for members of the Iowa Radiological Society and alumni of the College of Medicine's Department of Radiology. The registration fee for other physicians is \$180. Fellows and Radiology residents in training may attend free of charge with a letter of certification from their Program Director. The fee covers registration, educational materials, refreshments, lunch, and awarding of continuing education credits.

A Zoom link is available upon request for those outside the Iowa City, Coralville, North Liberty area who are unable or prefer not to attend in person.
