### Room Reservations:

The conference will be held at the Radisson Hotel & Conference Center, 1220 1st Avenue, Coralville, IA (north at I-80, exit 242 and adjacent to the Hampton Inn). Call the Radisson Hotel directly at 319-351-5049 to reserve a room.

The UI Hospitals & Clinics Department of Nursing's continuing education programs are developed under the supervision of Lou Ann Montgomery, PhD, MAN, RN, NPD-BC, RN-BC, FAAN.

Determination of educational content for this program and the selection of speakers are responsibilities of the program director and planning committee. Firms providing financial support did not have input in these areas.

## GENERAL INFORMATION

### Educational Objectives

Upon completion of this program, learner should be able to:

- Describe the importance of accountability to a team's culture and apply the two-minute feedback challenge framework to hold peers accountable.
- Define Just Culture and describe how it aligns with organizational values and supports staff.
- Identify appropriate services for a child with special healthcare needs.
- State donor eligibility criteria. Summarize the importance of using discretion and sensitivity with families who recently experienced the death of a loved one.
- Define cancer control and identify key collaborative cancer control initiatives in Iowa, including Iowa Cancer Consortium and the Iowa Cancer Plan.
- Discuss the need for comprehensive vision screening early in development and methods that enhance the early detection and treatment of vision problems in young children.
- Discuss how to prevent long term health consequences of poor oral care during childhood.
- Discuss the epidemic of obesity and review the recommended behavior interventions and current medical management.
- Improve recognition of opioid toxicity among ambulatory care providers and discuss the indications for naloxone use.
- Discuss the multimodal treatment modalities for chronic pain.
- Discuss what implicit bias is and where it comes from and how it affects health care providers and patients.

### Nursing Credits:

**7.0 contact hours** will be granted by University of Iowa Hospitals and Clinics Department of Nursing (IBN Approved Nursing Providership #34). Participants must attend the entire program to receive full credit. Questions concerning nursing credits should be directed to the Nursing Clinical Education Center at (319) 356-1238.

### Overarching Objectives:

- Describe resources to improve the delivery of care in the ambulatory setting.
- Discuss patient care issues and interventions to better diagnosis, treat, and manage care of the ambulatory patient.
- Identify strategies to promote a healthy healthcare work environment.
