

GENERAL INFORMATION

Nursing Credits:

5.6 contact hours will be granted by University of Iowa Health Care Department of Nursing (IBN Approved Nursing Providership #34). Participants must attend the entire program to receive full credit. Questions concerning nursing credits should be directed to the Nursing Clinical Education Center at (319) 356-1238.

Overarching Program Objectives:

- Review education, research, and practice improvements for care across roles, settings and patient populations.
- Identify evidence-based implementation strategies to improve patient outcomes within the children's and women's health care setting.
- Discuss diagnosis, treatment, management, and emerging options for neonatal, pediatric, obstetrics, and women's health populations.

Acknowledgements: The Department of Nursing wishes to thank the exhibitors for their support of this program.

Schedule and speakers are subject to change. Faculty are staff of UI Health Care and/or University of Iowa Colleges unless otherwise indicated. Contact nursingcontinuinged@uiowa.edu or call 319-356-1238 if you have questions.

CEDAR RAPIDS, IA

IOWA
HEALTH CARE

CE NURSING CONTINUING EDUCATION

This annual conference is designed to explore patient care innovations for neonates, infants, children, adolescents, and women throughout their life span. Presentations on new evidence-based standards of nursing care as well as new technologies, procedures, and research illustrate the constantly evolving nature of nursing practice in a changing health care environment. Topics address both behavioral and clinical issues that are relevant to nurses and ancillary professionals in a variety of settings including acute care, ambulatory, and community-based practices.
