Medical Psychiatry Nursing Conference

**OCTOBER 29, 2024**

ZOOM / VIRTUAL CONFERENCE

**IOWA**  
HEALTH CARE

### **CE** NURSING CONTINUING EDUCATION

The purpose of this conference is to expand existing knowledge of nurses interested in medicine and psychiatry. Topics are appropriate for psychiatric nurses looking to expand their medical knowledge as well as medicine nurses that have an interest in learning more about psychiatry.

## Medical Psychiatry Nursing Conference

TUESDAY, OCTOBER 29, 2024

8:00 AM – 1:45 PM (CST)

ZOOM / VIRTUAL CONFERENCE

Sponsored by:

Department of Nursing Services and Patient Care IBN  
Approved Provider #34

Changing Medicine.  
Changing Lives.®

## GENERAL INFORMATION

### Educational Objectives

Upon completion of this program, learner should be able to:

- Discuss generational differences in the healthcare setting.
- Discuss the current status of psychedelic medicines in the treatment of psychiatric disorders and findings from clinical research studies which demonstrate their potential.
- Recognize and evaluate neuropsychiatric symptoms of anti-N-methyl-D-aspartate (NMDA) encephalitis. Discuss the potential role of electroconvulsive therapy (ECT) in treating catatonia in setting of this condition. Explain the importance of immunomodulatory therapy for this condition.
- Compare and contrast Food and Drug Administration (FDA) and non-FDA approved medications for alcohol use disorder in general population and in those with known liver disease.
- Discuss neurocognitive disorders and identify ways to reduce behaviors.

### Continuing Education Credit

Nursing Credits: **5.1 contact hours** will be granted by University of Iowa Health Care Department of Nursing (IBN Approved Provider #34). Participants must attend the entire program to receive full credit.

Questions concerning nursing credits should be directed to the Nursing Clinical Education Center at (319) 356-1238.

### Planning Committee Members:

Cassandra Drees-Duncan, BSN, RN, CMSRN  
Leigh Weber, BA, RN
