Hawkeye Chapter #149

Changing Medicine.
Changing Lives.®

GENERAL INFORMATION

Nursing Credit:

7.0 contact hours will be granted by UI Hospitals & Clinics Department of Nursing (IBN Approved Provider #34). Participants must attend the entire program to receive full credit.

Educational Objectives:

Upon completion of this program, learner should be able to:

- Identify and discuss safety hazards for youth working with livestock and common musculoskeletal disorder issues.
- Explain options for procedural support through the developmental stages.
- Discuss advances in musculoskeletal cancer treatment.
- Identify and describe the key roles and responsibilities of athletic trainers in clinical settings. Explain the importance of collaboration between athletic trainers and other healthcare professionals in a clinical setting for optimal patient care.
- Describe the key considerations when managing polytrauma patient's injuries from diagnosis, to treatment, to rehabilitation.
- Describe advances in pain management related to total knee replacement surgery.
- Discuss the diagnosis and treatment of bariatric patients requiring reconstructive joint replacement.

Acknowledgements

The University of Iowa Hospitals & Clinics Department of Nursing would like to thank the education committee of the Hawkeye Chapter #149, National Association of Orthopaedic Nurses, for the development of this program.

Disclosure Policy: Everyone in a position to control the content of this educational activity will disclose to the CE provider and to attendees all relevant financial relationships with any commercial interest. They will also disclose if any pharmaceuticals or medical procedures and devices discussed are investigational or unapproved for use by the U.S. Food and Drug Administration (FDA).

REGISTRATION

Registration:
