INTENDED AUDIENCE:

Oncology Nurses, ARNPs, PAs, Social Workers, Physical Therapists, Radiation Therapists, Navigators, and Mental Health Providers and any member of the patient care team; any and all primary care providers and staff who interact with people impacted by cancer (during and after treatment). Interested physicians and administrators are welcome also. Please forward this invite to any interested colleagues.

EDUCATIONAL OBJECTIVES:

Discuss sexual healthcare in the cancer care setting. Implement sexual healthcare plans in the care of your patients.

STATEMENT OF PURPOSE:

This conference is designed to provide healthcare providers with knowledge about and competence in addressing sexual health in the cancer care setting, through formal and interactive training. We want to help you face the challenges of providing sexual health care by improving communication, broadening understanding of diverse patient populations and providing concrete implementation strategies.

CONTACT HOURS:

The University of Iowa College of Nursing is an Iowa Board of Nursing approved provider, Number 1. Full time attendance for this program will award 7.75 hours.

REGISTRATION IS OPEN NOW

and will remain open until start of
the Conference on April 16th.
