

University of Iowa Hospitals and Clinics

Fundamental Critical Care Support: Surgical Course (FCCS)

May 16, 2024 HYBRID Course

**Center for Procedural Skills & Simulation
University of Iowa Hospitals & Clinics**

Registration Deadline:
April 30, 2024 or the first 20 participants

Limited Enrollment Skills Course

General Information

This is a standardized course consists of web-based presentation and in-person skills stations to provide nonsurgical healthcare professionals with the training they need to provide initial care to critically ill surgical patients. Specific topics include approach to the surgical patient, overview of care and surgical emergencies, diagnosis and management of acute respiratory failure, surgical airway emergencies, mechanical ventilation. In addition, management of specific disease states in the realm of neurologic emergencies, burn, trauma, life-threatening infection, and life-threatening metabolic disturbances are reviewed. This course is limited to 20 attendees. Please register early to secure your participation. Payment must be received at the time of enrollment.

Intended Audience

Specifically, nurses, physicians, and physician assistants. ARNPs, general surgeons, and critical care trainees are welcome to attend as well.

Educational Objectives

Upon completion of this conference, the participant should be able to:

- Identify appropriate diagnostic tests for specific patient populations.
- Prioritize clinical critical care management issues.
- Assess the critically ill patient in an organized fashion.

Attendance at this course does not indicate nor guarantee competency or proficiency in the performance of any procedures that may be discussed or taught in this course.

Credit

In support of improving patient care, the University of Iowa Roy J. and Lucille A. Carver College of Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician: The University of Iowa Roy J. and Lucille A. Carver College of Medicine designates this Other activity (Enduring Material and Live) for a maximum of 14.25 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurse: The University of Iowa Roy J. and Lucille A. Carver College of Medicine designates this Other activity (Enduring Material and Live) for a maximum of 14.25 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Physician Associates: The University of Iowa Roy J. and Lucille A. Carver College of Medicine has been authorized by the American Academy of Physician Associates (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This other/blended activity is designated for 14.25 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Other Provider: All other participants will receive a certificate of participation for this conference upon completion of the online evaluation. It is the responsibility of each attendee to determine if the continuing education programs they attend meet the requirements of their professional licensure board.

Date and Location

The *Fundamental Critical Care Support: Surgical Course (FCCS)* course will be held May 16, 2024 in the Center for Procedural Skills & Simulation (CPSS), University of Iowa Hospitals and Clinics from approximately 8:00 A.M.-3:30 P.M.

Registration

Registration cost: \$175

Link to register: <https://uiowa.cloud-cme.com/course/courseoverview?P=O&EID=66037>

The registration fee includes online course materials, light breakfast and lunch the day of Skill Station. Registration is on a first-come-first-serve basis. Upon receipt of payment, course materials which includes a training eBook and instructions on completing the online pre-test PRIOR to the start of the course, will be sent to the email address you provide at registration.

Due to the hybrid-nature of this course, prior to the in-person Skills Station Course date, you are required to complete the PRE-TEST as well as review all of necessary Web-based presentations PRIOR to attending the Skills Station day on May 16, 2024. To receive the certificate of successful completion, course participants must view ALL presentations, successfully complete all skill stations and achieve a minimum score of 70% on the posttest.

Cancellation Policy

Cancellation requests must be made via email to cme@uiowa.edu by the end of the day on May 1, 2024. Such requests will be refunded the cost of the registration less a \$75 per person fee. Any requests for cancellation/refunds after that date will not be honored.

Parking

Parking is available in hospital parking ramps 1 or 3. The cost (\$20/day) for parking is not included in the registration fee and is not validated. We strongly encourage you to use the CAMBUS service.

Faculty Disclosure

DISCLOSURE POLICY: University of Iowa Roy J. and Lucille A. Carver College of Medicine adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. All relevant financial relationships have been mitigated prior to the commencement of the activity.

Disability Statement

The University of Iowa prohibits discrimination in employment, educational programs & activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy disability, genetic information, status as a U.S. veteran, service in the U.S. military, sexual orientation, gender identity, associational preferences, or any other classification that deprives the person of consideration as an individual. The university also affirms its commitment to providing equal opportunities and equal access to university facilities.
