

CONTINUING EDUCATION CREDIT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Iowa Roy J. and Lucille A. Carver College of Medicine and the Iowa Dermatological Society. The Carver College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Iowa Carver College of Medicine designates this live activity for a maximum of 7.0 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Policy: Everyone in a position to control the content of this live activity will disclose to the CME provider (University of Iowa Carver College of Medicine) and to attendees all relevant financial relationships with any commercial interests. They will also disclose if any pharmaceuticals or medical procedures and devices discussed are investigational or unapproved for use by the U.S. Food and Drug Administration (FDA).

The University of Iowa prohibits discrimination in employment and in its educational programs and activities on the basis of race, national origin, color, creed, religion, sex, age, disability, veteran status, sexual orientation, gender identity, or associational preference. The University also affirms its commitment to providing equal opportunities and equal access to University facilities. For additional information on nondiscrimination policies, contact the Coordinator of Title IX, Section 504, and the ADA in the Office of Affirmative Action, (319) 335-0705 (voice) or (319) 335-0697 (text), 202 Jessup Hall, The University of Iowa, Iowa City, IA 52242-1316.

Individuals with disabilities are encouraged to attend all University of Iowa-sponsored events. If you are a person with a disability who requires an accommodation in order to participate in this program, please contact the Department of Dermatology in advance at (319) 356-3609.

Should you require additional information or have any questions regarding this program, please contact Lisa Lammer, at Lisa-Lammer@uiowa.edu or (319) 356-3609

Directions to Medical Education Research Facility

From I-80 to Health Sciences Campus: Exit I-80 at Coralville's 1st Avenue (exit 242) and travel south one mile. Take a left at stoplight onto US-6/2nd Street and travel toward downtown Iowa City. As you round the corner just past the VA Hospital, you'll find Newton Road. Take a right onto Newton Road and you will enter the UI Health Sciences Campus. The MERF building will be on your left as you come to the top of the hill and round to your left. The Newton Road parking ramp will be on your right and you will proceed beyond the parking ramp to find the entrance for parking. There is an elevator or stairs in the parking ramp and you will cross Newton road and enter the ground floor of MERF. The Atrium and reception desk is at the south end of the building on the first floor (one floor above the north lobby entryway). There is an elevator if you go east from the lobby or up the marble stairs and down the hallway along the art wall.

Directions from the Hospital to MERF

From any place in the hospital, go to Elevator C (the elevators run from A on the North end of the hospital to elevator L in Pomerantz on the South end of the hospital) on the second floor, Proceed North to the wooden compass inlay in the floor, near elevator B.

Turn East at the compass and continue to the end of the hall. Turn left at elevator BE, half way down the hall there are a set of double doors that lead into Med Labs on your right. Pass through those doors. Continue down the hall and up a small ramp, turn left. At the end of this hallway, you will come to a stairwell, pass through a double door way on your right and will enter EMRB. Continue straight down the hallway, you will cross the EMRB atrium and continue into the skywalk that will lead to the 2nd floor of MERF. As you enter the MERF Atrium you will come to an elevator on the second floor or stairway that will allow you to find your destination.

2019 SPRING MEETING IOWA DERMATOLOGICAL SOCIETY AGENDA FRIDAY APRIL 5, 2019

2117 Urmila Sahai Seminar Room
Medical Education Research Center

Christian E. Radcliffe, MD
Radcliffe Memorial Lectures
Christian Baum, MD

Christian E. Radcliffe, MD

John Strauss, MD
Honorary Lectures
David Cohen, MD, MPH

John S. Strauss, M.D.

Jointly Sponsored by
The Iowa Dermatological Society and
The Department of Dermatology
Roy J. and Lucille A. Carver College of Medicine
The University of Iowa

INTENDED AUDIENCE AND PURPOSE

Designed for practicing dermatologists and residents-in-training to provide an in-depth update on clinically relevant topics in the field of Dermatology.

EDUCATIONAL OBJECTIVES

Following the meeting, the participants will be able to:

Identify trends in the prevalence of contact allergens
Review common presentations for emerging allergens in contact dermatitis

Review common locations and strategies for avoiding contact allergens

Review contemporary concepts in the epidemiology and pathophysiology of atopic dermatitis

Identify new therapies and emerging therapies for atopic dermatitis

Recognize the pathophysiology of in-transit melanoma metastases

Define staging principles for in-transit melanoma metastases

Recognize key components of management and treatment options for in-transit melanoma metastases

Define current risk stratification of cutaneous squamous cell carcinoma

Identify staging options for cutaneous squamous cell carcinoma

Recognize principles of management for cutaneous squamous cell carcinoma

2019 SPRING MEETING IOWA DERMATOLOGICAL SOCIETY

FRIDAY, APRIL 5, 2019

8:00 a.m. Registration/Refreshments
2117 Urmila Sahai Seminar Room
MERF

CHRISTIAN E. RADCLIFFE, MD MEMORIAL LECTURE

8:30 a.m. *In-transit Melanoma Metastases: A Dermatologists Perspective*
Christian Baum, MS, MD
Vice Chair, Dept of Derm
Associate Professor of Derm
Mayo Clinic College of Medicine
Rochester, Minnesota

Questions

9:30 a.m. *Cutaneous Squamous Cell Carcinoma: Risk stratification and management*
Christian Baum, MS, MD

6:15 p.m.

Questions

10:30 a.m. **Break/Vendor Session**

JOHN STRAUSS, MD HONORARY LECTURES

11:00 a.m. *Emerging trends in Contact Dermatitis*
David Cohen, MD, MPH
Charles C. and Dorothea E. Harris Professor
and Vice Chairman for Clinical Affairs
Director of Allergic, Occupational, and
Environmental Dermatology
The Ronald O. Perelman Department of
Dermatology
New York University School of Medicine

Questions

12:00 p.m. **Luncheon /Business Meeting
Vendor Session**

1:00 p.m. *Current Concepts and Therapy in Atopic Dermatitis*
David Cohen, MD, MPH

Questions

2:00 p.m. *Virtual Patient Presentation
Patient discussions*

3:00 p.m. **Break/Vendor Session**

3:15 p.m. *Virtual Patient Presentation
Patient discussions*

5:15 pm **Adjourn
Reception/Vendor Session**
