Purpose
This course is designed for primary care physicians, including specialists in family practice, internal medicine, and pediatrics; clinical microbiologists; including specialists in family practice, internal medicine, and pediatrics; clinical microbiologists; pharmacists, nurses, and individuals in training for these careers.

Lectures and interactive workshops will provide an update on the current state of the art diagnosis and treatment of infectious diseases in adults and children in the community which would most likely be encountered by primary care physicians in the Midwest. Registration Fees
All fees include registration, instruction and educational materials, CME and CEU recording, continental breakfast, lunch, and refreshment breaks.

When registration is open until the start of the conference, we encourage early registration to enable us to provide the best possible service to participants. A $25 fee will be charged for canceled registrations. No refunds will be given for cancellations made after April 19, 2018. A LATE FEE OF $50 WILL BE ADDED FOR ALL REGISTRATIONS MADE AFTER APRIL 19, 2018.

Housing Participants are responsible for making their own hotel reservations and may do so by contacting the Iowa City Convention & Visitors Bureau at (800) 283-6592 or any hotel in the Iowa City area (800) 283-6592 or any hotel in the Iowa City area (800) 283-6592 or any hotel in the Iowa City area (800) 283-6592 or any hotel in the Iowa City area. Participants are encouraged to book well in advance to ensure availability. Hotel accommodations are subject to change. Parking Parking is available in the public ramp adjacent to the hotel at no additional charge. The ramp is on the corner of Burlington and Dubuque Streets.

Syllabus Materials Course syllabus materials will be emailed as a link to registered participants the week of the conference. Print copies of the syllabus will not be provided.

Participants are encouraged to download or print materials in advance. A limited number of outlets are available so it is wise to have a fully charged laptop or power strip for your charger or laptop.

Continuing Education Credit
PHYSICIANS: The University of Iowa Roy and Lucile A. Carver College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Iowa Carver College of Medicine designates this live activity for a maximum of 5.75 AMA PRA Category I Credits™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FAMILY PHYSICIAN: Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

NURSE: 5.75 contact hours will be granted by the University of Iowa Hospitals and Clinics Department of Nursing (DN) Approved Provider #X-8049. Participants must attend the entire program to receive full credit. Questions concerning nursing credits should be directed to the Nursing Education Center at (319) 350-4034.

PHARMACIST: The Collegiate Infectious Disease Education Institute is accredited by the Accreditation Council for Pharmacy Education as provider of continuing pharmacy education. Following completion of the online activity exam and evaluation (accessible at www.GoToCEI.org via a CPE Access Code linked to the activity), participants will be able to access their CPE Statement of Credit on their CPE Monitor, www.MyCPEMonitor.net, or by request to the University of Iowa Carver College of Medicine, Department of Continuing Education, 202 Jessup Hall, Iowa City, IA 52242-1316, 319-335-0705 (voice), 319-335-0697 (TDD), diversity@uiowa.edu.

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, creed, national origin, age, sex, pregnancy, sexual orientation, gender identity, gender expression, marital status, mental or physical disability, or status as a covered veteran. The University also affirms its commitment to providing equal opportunities and equal access to university facilities. For additional information on nondiscrimination policies, contact the Director, Office of Equal Opportunity and Diversity, the University of Iowa, 202 Jessup Hall, Iowa City, IA 52242-1316, 319-335-0705 (voice), 319-335-0697 (TDD), diversity@uiowa.edu.

GENERAL INFORMATION

EDUCATIONAL OBJECTIVES

Upon completion of this program the learner should be able to:

- Detect common infectious complications of opioid abuse.
- Discuss updated adult immunization recommendations.
- Describe the new approaches to diagnosis and treatment of HCV and the common community acquired infections.
- Discuss appropriate precautions designed to prevent patients from acquiring infection during travel.
- Interpret diagnostic test results for Lyme disease.
- Identify advances in hepatitis C virus treatment and know when to screen for HCV infection.
- Interpret diagnostic test results for syphilis.
- Identify infectious agents that can cause mononucleosis syndromes.
- Identify patients for whom screening is recommended.
- Identify infectious agents that can cause meningococcal disease.
- Identify patients for whom screening and treatment of latent tuberculous infection is recommended.
- Identify appropriate tests to evaluate for common infectious diseases.
- Identify those at risk for HIV/AIDS.
- Interpret diagnostic test results for HIV/AIDS.
- Identify familial psychotropic medications.
- Identify psychological symptoms of opioid abuse.
- Identify psychological symptoms of opioid overdose.
- Identify psychological symptoms of substance abuse.
- Interpret diagnostic test results for Lyme disease.
- Identify signs of opioid abuse.
- Identify types of opioids available for educational use.
- Identify types of opioids available for educational use.

PARTICIPANTS

This course is designed for primary care physicians, including specialists in family practice, internal medicine, pediatrics, and infectious diseases; pharmacists, nurses, and individuals interested in these areas.

Lectures and interactive workshops will provide an update on the current state of the art diagnosis and treatment of infectious diseases in adults and/or children in the community and which would most likely be encountered by primary care physicians in the Midwest.

Registration Fees
All fees include registration, instruction and educational materials, CME and CEU recording, continental breakfast, lunch, and refreshment breaks.

While registration is open until the start of the conference, we encourage you to register in advance to ensure that you can participate in the conference and avoid the inconvenience of cancellations.

Participants are responsible for making their own hotel reservations and may do so by contacting the hotel or conference center at (319) 356-4304 or (319) 337-4961.

Parking
Parking is available in the public ramp adjacent to the hotel at no charge.

Syllabus Materials
Course syllabus materials will be emailed to all registered participants the week of the conference. Print copies of the syllabus will be provided.

EDUCATIONAL OBJECTIVES

Purpose
This course is designed for primary care physicians, including specialists in family practice, internal medicine, and pediatricians, dentists, nurses, and other individuals interested in these areas.

Lectures and interactive workshops will provide an update on the current state-of-the-art diagnosis and treatment of several infectious diseases in accordance with the latest guidelines.

Discuss appropriate precautions physicians should take when acquiring infection during travel.

Interpret diagnostic test results for Lyme disease.

Identify adverse effects of antibiotic treatment for Lyme disease.

Identify infectious agents that can cause meningitis.

Identify patients for whom screening for gonorrhea and chlamydia should be carried out.

Participates are encouraged to download or print materials to advance. A limited number of outlets are available so be sure to have a fully charged battery on your device or laptop.

Continuing Education Credit

PHYSICIAN: The University of Iowa Roy J and Lucille A. Carver College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Iowa Carver College of Medicine designates this live activity for a maximum of 5.75 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FAMILY PHYSICIAN: Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

NURSE: 5.75 contact hours will be granted by University of Iowa Hospitals and Clinics Department of Nursing (IBN Approved Provider #X). Participants must attend the entire program to receive full credit. Questions concerning nursing credits should be directed to the Nursing Education Center at (319) 350-4304.

PHARMACIST: The Collaborative Education Institute is accredited by the Accreditation Council for Pharmacy Education as provider of continuing pharmacy education. Following completion of the online activity exam and evaluation (accessible at www.GOE.org via CPE Access Code Issued during the activity), participants will be able to access their CPE Statement of Credit on MyCPE Monitor, MyPCRMonitor.net, or pharmacist.cpa.gov. The CPE Activity Number (UAN) for this knowledge-based CPE activity is #0107-9999-17-276-PHですので.

Pharmacists will receive 5.75 contact hours or 5.7 CEUs.

Emergency Calls
You may be reached during conference hours for emergency calls at (319) 337-4611. Please have the caller identify the Infectious Disease Conference.

Determination of educational content for this program and the selection of speakers responsible for the course content. Firms providing financial support did not have input in these areas.

DISCLOSURE POLICY: Everyone in a position to influence the content of this activity will disclose to the CME provider and to attendees all relevant financial relationships with any commercial interest.

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of age, color, creed, disability, gender identity, national origin, race, religion, sex, sexual orientation, and veteran status. The university also prohibits harassment on any of these bases.

The credit will be valid for 1 year from the completion date and will be available for use during the next conference.

The University of Iowa does not discriminate on the grounds of disability in its educational programs, services, activities, or employment. Individuals with disabilities are encouraged to attend all University of Iowa sponsored events. If you are a person with a disability who requires an accommodation in order to participate in an event, please contact the Continuing Medical Education Division in advance at (319) 355-3269.
