100 Medicine Administration Bldg.
Iowa City, IA 52242-1101

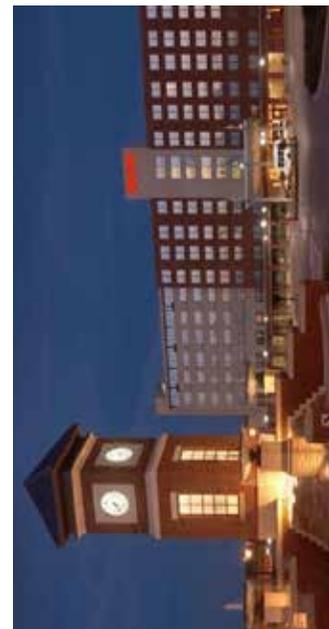

The University of Iowa requests this information for the purpose of processing your registration. No persons outside the University of Iowa are routinely provided this information.

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy, disability, genetic information, status as a U.S. veteran, service in the U.S. military, sexual orientation, gender identity, associational preferences, or any other classification that deprives the person of consideration as an individual. The university also affirms its commitment to providing equal opportunities and equal access to university facilities. For additional information on nondiscrimination policies, contact the Director, Office of Equal Opportunity and Diversity, the University of Iowa, 202 Jessup Hall, Iowa City, IA, 52242-1316, 319-335-0705 (voice), 319-335-0697 (TDD), diversity@uiowa.edu.

Individuals with disabilities are encouraged to attend all University of Iowa sponsored events. If you are a person with a disability who requires an accommodation in order to participate in this program, please contact the Continuing Medical Education Division in advance at 319/335-8599.

1st Annual University of Iowa Update in Gastroenterology, Hepatology and Endoscopy

SATURDAY, JULY 28, 2018
Marriott Coralville Hotel & Conference Center
300 E. 9th Street, Coralville, Iowa

1st Annual University of Iowa Update in Gastroenterology, Hepatology and Endoscopy

SATURDAY, JULY 28, 2018

Marriott Coralville Hotel & Conference Center
300 E. 9th Street, Coralville, Iowa

Provided by:

Department of Internal Medicine, Division of Gastroenterology and Hepatology
University of Iowa Roy J. and Lucille A. Carver College of Medicine

uihc.org   

PURPOSE

Educate and update practitioners in recent advances that will affect their field of practice.

EDUCATIONAL OBJECTIVES

GENERAL GASTROINTESTINAL DISEASE

Moderated by Dr. Mariam Naveed

PPI Controversies

- Describe the mechanism of action for proton pump inhibitors
- Identify current areas of concern in long term PPI use
- Understand relevant evidence in chronic PPI use

Functional Gastrointestinal Disease

- Discuss evidence-based pharmacological strategies for management of functional GI symptoms
- Review objective testing and its use in functional GI disease
- Examine the role of diet in functional GI symptoms

Recurrent Clostridium Difficile Enterocolitis

- Review the latest therapeutic approaches for managing new and recurrent *C. difficile* infection
- Understand the role of fecal microbiota transplant (FMT) in the management of *C. difficile* infection
- Recognize the importance of *C. difficile* infection in patients with inflammatory bowel disease (IBD)

LUMENAL IMMUNOLOGIC DISEASE

Moderated by Dr. David Elliott

IBD in Pregnancy

- Understand the impact of inflammatory bowel disease (IBD) on female and male fertility
- Discuss the impact of IBD on pregnancy outcomes
- Review the safety and efficacy of IBD medication use during pregnancy and lactation

Update: IBD Therapeutics

- Understand the different classes of biologic therapies for IBD
- Understand the efficacy of biologic treatment for Crohns disease and ulcerative colitis
- Understand monitoring for safety in patients on biologic therapy

Challenges in Celiac Disease

- Understand the role of serology and HLA testing in diagnosis and treatment of celiac disease
- Distinguish refractory celiac disease from other etiologies for ongoing symptoms
- Know current investigational therapies for celiac disease

ADVANCED ENDOSCOPY

Moderated by Dr. Benjamin Alsop

POEMS

- Understand unique endoscopic techniques that utilize the submucosal layer as a dissection plane to improve outcomes
- Identify applications for submucosal endoscopic techniques

Bariatric Endoscopy

- Recognize anatomy in patients who have undergone bariatric surgery
- Become familiar with complications following bariatric surgery
- Understand the principles of endoscopic bariatric procedures

Advances in Barrett's

- Learn the recent approaches for managing low-grade dysplasia in Barrett's metaplasia
- Learn recent technological advances in Barrett's screening and imaging

HEPATOLOGY

Moderated by Dr. Alan Gunderson

HCV Therapeutics

- Recognize indications for hepatitis C treatment
- Understand health and mortality benefits of hepatitis C treatment
- Recognize where further post-treatment care and surveillance are needed

Liver Transplantation

- Know the indications for liver transplantation, when patients should be evaluated, and what constitutes urgent evaluation
- Understand the role of liver transplantation in managing hepatocellular cancer and alcoholic hepatitis
- Have a sense of wait times on the waiting list, death on the wait list, and post-transplant outcomes

Frontiers in NASH

- Describe non-invasive methods for the diagnosis of NAFLD
- Review management options for NAFLD
- Discuss current areas of research and future therapeutic options for NAFLD

CONTINUING EDUCATION CREDIT

Physician: The University of Iowa Roy J. and Lucille A. Carver College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Iowa Roy J. and Lucille A. Carver College of Medicine designates this live activity for a maximum of 7.00 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Attendees: All participants will receive a certificate of completion for this conference. It is the responsibility of each attendee to determine if the continuing education programs they attend meet the requirements of their professional licensure board.

INTENDED AUDIENCE

Those who wish to advance their understanding of gastrointestinal and hepatic disease including: gastroenterologists, primary care providers, advanced practitioners, resident/fellow trainees, and students.

DISCLOSURE POLICY

Everyone in a position to control the content of this educational activity will disclose to the CME provider and to attendees all relevant financial relationships with any commercial interest.

KEYNOTE SPEAKERS

Sumona Saha, MD, MS

Associate Professor of Internal Medicine
Gastroenterology and Hepatology
University of Wisconsin School of
Medicine and Public Health

*Sponsored by a gift from
the estate of Sol Barnett*

Ajay Bansal, MD

Associate Professor of Internal Medicine
Gastroenterology/Hepatology
University of Kansas Medical Center

UNIVERSITY OF IOWA CARVER COLLEGE OF MEDICINE GASTROENTEROLOGY- HEPATOLOGY FACULTY

Benjamin Alsop, MD

Course Director
Clinical Assistant Professor
of Internal Medicine
Gastroenterology-Hepatology

Alan Gunderson, MD

Course Director
Clinical Assistant Professor
of Internal Medicine
Gastroenterology-Hepatology
Medical Director Digestive Health Clinic

Mariam Naveed, MD

Course Director
Clinical Assistant Professor
of Internal Medicine
Gastroenterology-Hepatology
Assistant Fellowship Director

David Elliott, MD, PhD

James A. Clifton Professor
of Internal Medicine
Director, Division of
Gastroenterology-Hepatology

Henning Gerke, MD

Clinical Professor of Internal Medicine
Gastroenterology-Hepatology
Medical Director of Endoscopy

Adrian Holm, MD

Clinical Associate Professor
of Internal Medicine
Gastroenterology-Hepatology
Fellowship Director

Steven Polyak, MD

Clinical Associate Professor
of Internal Medicine
Gastroenterology-Hepatology

Antonio Sanchez, MD

Clinical Associate Professor
of Internal Medicine
Gastroenterology-Hepatology

Mahmoud Soubra, MD

Clinical Assistant Professor
of Internal Medicine
Gastroenterology-Hepatology

Michael Voigt, MD

Clinical Professor of Internal Medicine
Gastroenterology-Hepatology
Medical Director of Liver Transplantation

PROGRAM AGENDA

SATURDAY, JULY 28, 2018

Marriott Coralville Hotel & Conference Center, 300 E. 9th Street, Coralville, Iowa

7:30 – 7:50 am

Breakfast

7:50 – 8:00 am

Welcome

SESSION 1

8:00 – 8:30 am

GENERAL GASTROINTESTINAL DISEASE

Moderated by Dr. Mariam Naveed

PPI Controversies

Dr. Adrian Holm

Functional Gastrointestinal Disease

Dr. Benjamin Alsop

Recurrent Clostridium Difficile Enterocolitis

Dr. Mariam Naveed

Panel Discussion & Questions

Break

SESSION 2

10:00 – 10:30 am

LUMENAL IMMUNOLOGIC DISEASE

Moderated by Dr. David Elliott

IBD in Pregnancy

Dr. Sumona Saha

Update: IBD Therapeutics

Dr. Steven Polyak

Challenges in Celiac Disease

Dr. David Elliott

Panel Discussion & Questions

11:45 am – 1:00 pm

Lunch

SESSION 3

1:00 – 1:30 pm

ADVANCED ENDOSCOPY

Moderated by Dr. Benjamin Alsop

POEMS

Dr. Henning Gerke

Bariatric Endoscopy

Dr. Mahmoud Soubra

Advances in Barrett's

Dr. Ajay Bansal

Panel Discussion & Questions

2:30 – 2:45 pm

Break

2:45 – 3:00 pm

SESSION 4

3:00 – 3:30 pm

HEPATOLOGY

Moderated by Dr. Alan Gunderson

HCV Therapeutics

Dr. Alan Gunderson

Liver Transplantation

Dr. Michael Voigt

4:00 – 4:30 pm

Frontiers in NASH

Dr. Antonio Sanchez

4:30 – 4:45 pm

Panel Discussion & Questions

4:45 – 5:00 pm

Adjourn
