## INTENDED AUDIENCE

Academic and community-based radiologists, radiology resident physicians, fellows, and radiology technologists.

## PURPOSE

Current practices in Neuroradiology imaging are continuing to change with new paradigms in acute stroke management and imaging. Radiologists and their patients can benefit from knowledge-based and workflow improvements to their practice. The Iowa Radiologic Society conference will explore these topics with local and national experts in their fields.

## EDUCATIONAL OBJECTIVES

Upon completion of this program the learner should be able to:

- Discuss the current standard of imaging in acute stroke
- Discuss the role of interventional radiology in acute stroke
- Interpret CT perfusion of brain
- Describe the current regulatory and legislative landscape in which the American College of Radiology (ACR) operates
- Discuss how the ACR advocates for value-based radiology treatment and care
- Identify opportunities for professional development through the Radiology Leadership Institute (RLI)
- Utilize the RLI for leadership skills training and networking opportunities

## CREDIT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Iowa Carver College of Medicine and the Iowa Radiological Society. The University of Iowa Carver College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

**Physician:** The University of Iowa Carver College of Medicine designates this live activity for a maximum of 4.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Other Provider:** All participants may receive a certificate of participation for this activity. It is the responsibility of each participant to determine if the continuing education programs they attend meet the requirements of their professional licensure board.

## REGISTRATION

While registration is open until the start of the meeting, we encourage early registration to enable us to provide the best possible service to participants. A \$25 fee will be charged for canceled registrations. No refunds will be given for cancellations made after October 15, 2021.

## LOCATION AND PARKING

The meeting will be held in the Urmila Sahai Seminar Room, second floor of the Sahai Medical Education Center in the Medical Education and Research Facility (2117 MERF), 375 Newton Road, Iowa City, IA 52242.

We will be offering a hybrid version of the meeting if you prefer to attend virtually. The meeting will be using the Zoom platform for virtual attendees and the link will be emailed closer to the date. You will be able to indicate if you are attending in-person or virtually during registration.

Parking is available in the Newton Road Ramp, 360 Newton Road at a cost of \$20 per day. The MERF building is located across from the Newton Road Parking Ramp.
