The University of Iowa requests this information for the purpose of processing your registration. No persons outside the University of Iowa are routinely provided this information.

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy, disability, genetic information, status as a U.S. veteran, service in the U.S. military, sexual orientation, gender identity, associational preferences, or any other classification that deprives the person of consideration as an individual. The university also affirms its commitment to providing equal opportunities and equal access to university facilities. For additional information on nondiscrimination policies, contact the Director, Office of Equal Opportunity and Diversity, the University of Iowa, 202 Jessup Hall, Iowa City, IA, 52242-1316, 319-335-0705 (voice), 319-335-0697 (TDD), diversity@uiowa.edu.

Individuals with disabilities are encouraged to attend all University of Iowa sponsored events. If you are a person with a disability who requires an accommodation in order to participate in this program, please contact the Continuing Medical Education Division in advance at 319/335-8599.

2nd Annual University of Iowa Update in Gastroenterology, Hepatology and Endoscopy

SATURDAY, SEPTEMBER 21, 2019
Marriott Coralville Hotel & Conference Center
300 E. 9th Street, Coralville, Iowa

2nd Annual University of Iowa Update in Gastroenterology, Hepatology and Endoscopy

SATURDAY, SEPTEMBER 21, 2019

Marriott Coralville Hotel & Conference Center
300 E. 9th Street, Coralville, Iowa

Provided by:

Department of Internal Medicine, Division of Gastroenterology and Hepatology
University of Iowa Roy J. and Lucille A. Carver College of Medicine

uihc.org   

PURPOSE

Educate and update practitioners in recent advances that will affect their field of practice.

EDUCATIONAL OBJECTIVES

HEPATOLOGY

Moderated by Dr. Alan Gunderson

Hepatocellular Carcinoma Diagnosis & Management

- Know who to screen for hepatocellular carcinoma and how
- Understand how to diagnose and stage hepatocellular carcinoma
- Describe the latest management approach of hepatocellular carcinoma

HCC: Hepatology Treatment Modalities

- Learn how to determine the best treatment modality for HCC
- Understand the practical differences in treatment modalities
- Discuss the impact and importance of a multi-disciplinary approach to HCC treatment

Hepatic Fibrosis Tests

- Examine the background of the development of non-invasive fibrosis tests (NIHFTs)
- Discuss the pros and cons of NIHFTs, with specific reference to FibroScan
- Consider clinical scenarios where NIHFTs may be useful

INFLAMMATORY BOWEL DISEASE

Moderated by Dr. David Elliott

Health Maintenance in IBD

- Recognize the necessary immunizations in the immunosuppressed patient
- Review comprehensive cancer prevention in the IBD patient
- Understand how to advise your pregnant IBD patient

Modern IBD Pharmaceuticals

- Identify current first line therapies, and how to determine the best medical alternatives
- Recognize and manage adverse events of immune modulation
- Diagnose, evaluate, and treat check-point inhibitor colitis

Surgery in IBD

- Determine the best timing for colectomy or proctocolectomy in ulcerative colitis
- Identify indications for surgery in Crohn's disease
- Understand when medical management influences surgical options in Crohn's disease

Bariatrics & Inherited Colorectal Cancer

Moderated by Dr. David Elliott

Medical Bariatrics

- Learn the initial assessment and approach to obesity management
- Discuss the latest obesity treatment modalities and their applications
- Discuss the benefits of a multi-disciplinary weight management clinic

Surgical Bariatrics

- Review treatments for obesity available in 2019
- Know the treatment outcomes in RYGB and laparoscopic sleeve gastrectomy
- Understand common complications and GI provider management strategies

Familial Colorectal Cancer

- Understand the fundamentals of basic genetics
- Review hereditary colorectal cancer syndrome
- Know the management strategy in families with multiple cases of colorectal polyps or cancers

MOTILITY & LUMENAL DISEASE

Moderated by Dr. Alan Gunderson

Management of Dysphagia

- Distinguish oropharyngeal from esophageal dysphagia
- Understand the roles of endoscopy, radiology, and manometry in the evaluation of dysphagia
- Know the indications and therapeutic options in medical and surgical management

Short Bowel Syndrome

- Learn the common pitfalls (and pearls) in the management of short bowel syndrome
- Understand the common micronutrient deficiencies and their management in short bowel syndrome
- Review evolving therapeutic options in treating chronic intestinal failure

Constipation

- Define and classify primary and secondary constipation
- Explain the pathophysiologic bases of primary and secondary constipation
- Recall the uses and adverse effects of medical treatments in constipation

CONTINUING EDUCATION CREDIT

Physician: The University of Iowa Roy J. and Lucille A. Carver College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Iowa Roy J. and Lucille A. Carver College of Medicine designates this live activity for a maximum of 7.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Attendees: All participants will receive a certificate of completion for this conference. It is the responsibility of each attendee to determine if the continuing education programs they attend meet the requirements of their professional licensure board.

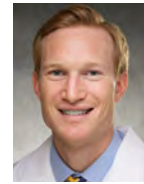

INTENDED AUDIENCE

Those who wish to advance their understanding of gastrointestinal and hepatic disease including: gastroenterologists, primary care providers, advanced practitioners, resident/fellow trainees, and students.

DISCLOSURE POLICY

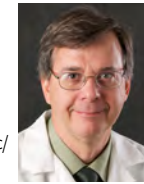

Everyone in a position to control the content of this educational activity will disclose to the CME provider and to attendees all relevant financial relationships with

Alan Gunderson, MD

Course Director
Clinical Assistant Professor
Internal Medicine
Gastroenterology-Hepatology
Medical Director Digestive Health Clinic/
Endoscopy/Liver Transplantation

David Elliott, MD, PhD

Moderator
James A. Clifton Professor
Internal Medicine
Director, Division of
Gastroenterology-Hepatology

PROGRAM FACULTY - UNIVERSITY OF IOWA CARVER COLLEGE OF MEDICINE

Caryn Berkowitz, MD

Clinical Associate Professor
Internal Medicine
Gastroenterology-Hepatology

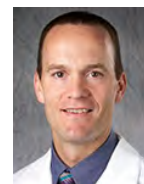

Jennifer Hrabe, MD

Clinical Assistant Professor
Surgery
Gastrointestinal, Minimally Invasive
and Bariatric Surgery

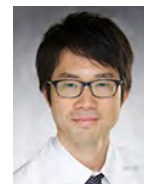

Mohamad Mokadem, MD

Clinical Associate Professor
Internal Medicine
Gastroenterology-Hepatology

Peter Nau, MD, MS

Clinical Assistant Professor
Surgery
Gastrointestinal, Minimally Invasive
and Medical Director, Bariatric Surgery

Tomohiro Tanaka, MD, PhD

Clinical Assistant Professor
Internal Medicine
Gastroenterology-Hepatology
Assistant Medical Director, Liver
Transplantation

James Vancura, DO

Adjunct Faculty
Internal Medicine
Gastroenterology-Hepatology

Kyle Brown, MD, MSc

Professor
Internal Medicine
Gastroenterology-Hepatology

Avraham Levin, MD, MSc

Clinical Assistant Professor
Internal Medicine
Gastroenterology-Hepatology

Arvind Murali, MBBS

Clinical Assistant Professor
Internal Medicine
Gastroenterology-Hepatology
Assistant Fellowship Director

Steven Polyak, MD

Clinical Associate Professor
Internal Medicine
Gastroenterology-Hepatology

Huy Tran, MD, PhD

Clinical Assistant Professor
Internal Medicine
Gastroenterology-Hepatology

RECEPTION

FRIDAY, SEPTEMBER 20, 2019 - 6:00-9:00 pm

Iowa River Power Restaurant, 501 1st Avenue, Coralville, Iowa

PROGRAM AGENDA

SATURDAY, SEPTEMBER 21, 2019

Marriott Coralville Hotel & Conference Center, 300 E. 9th Street, Coralville, Iowa

7:30 – 7:50 am

Breakfast

7:50 – 8:00 am

Welcome

SESSION 1

HEPATOLOGY

Moderated by Dr. Alan Gunderson

8:00 – 8:30 am

Update in Hepatocellular Carcinoma

Dr. Arvind Murali

8:35 – 9:05 am

Can Gastroenterologists Treat Liver Cancer? Merging the World Experience

Dr. Tomohiro Tanaka

9:10 – 9:40 am

Use & Abuse of Non-invasive Hepatic Fibrosis Tests

Dr. Kyle Brown

9:45 – 10:00 am

Break

SESSION 2

INFLAMMATORY BOWEL DISEASE

Moderated by Dr. David Elliott

10:00 – 10:30 am

Health Maintenance in IBD

Dr. Steven Polyak

10:35 – 11:05 am

Managing IBD with the Modern Pharmaceutical Cornucopia

Dr. David Elliott

11:10 – 11:40 am

Surgery in IBD

Dr. Jennifer Hrabe

11:45 am – 1:00 pm

Lunch

SESSION 3

Bariatrics & Inherited Colorectal Cancer

Moderated by Dr. David Elliott

1:00 – 1:30 pm

Medical Bariatrics: Systematic Approach to Weight Management

Dr. Mohamad Mokadem

1:35 – 2:05 pm

Surgical Bariatrics

Dr. Peter Nau

2:10 – 2:40 pm

Approach to Familial Colorectal Cancer

Dr. Avraham Levin

2:45 – 3:00 pm

Break

SESSION 4

MOTILITY AND LUMENAL DISEASE

Moderated by Dr. Alan Gunderson

3:00 – 3:30 pm

Making Dysphagia Easier to Swallow

Dr. Huy Tran

3:35 – 4:05 pm

Short Bowel Syndrome

Dr. Caryn Berkowitz

4:10 – 4:40 pm

Practical Approach to Constipation

Dr. James Vancura

4:45 – 5:00 pm

Adjourn
