

# Leadership and How to Develop These Skills

*Student and Resident Preceptor Development Workshop*

Des Moines - Thursday, February 21, 2019

## Course Description

This workshop will enable participants to better reflect on the qualities that distinguish between utilizing your leadership skills and merely managing people in a work or learning environment.

This workshop will focus on learning the difference between managing and leadership, and how this assist and drive the achievement of your goals. It will also examine the positive and negative aspects of different leadership styles, and how to apply them. And it will assist participants to identify their own leadership behavior and draw on and develop your leadership style and skills.

## Educational Objectives

After attending this workshop, participants will be able to:

- Examine the difference between leading and managing
- Describe positive and negative aspects of different leadership styles and examine situations that call for a certain leadership style/approach
- Identify participant persons leadership behavior.

## Who Should Attend

Medical and health professionals who teach medical students, residents, and/or other health professions students.

## Fee for CME

Non-UI affiliated participants will need to pay a fee of \$15 per credit hour to receive continuing education credit for attending this workshop.

This fee will be waived for UI-affiliated participants (if you have a HawkID you have affiliated status).

## Presenter

### Jeff Pettit, PhD, MA

Jeff Pettit is Associate Director of OCRME and Associate Professor, Department of Family Medicine, and has been with OCRME since 2006. Jeff provides consultation in the areas of instructional design and curriculum development, resident and faculty teaching skills, and leadership and team development.

He received his M.A. and Ph.D. degrees in Business Administration with a major in Human Resources from The University of Iowa. He has many years of experience in academia and business.

Jeff has taught a wide variety of courses at both the undergraduate and graduate levels. He has provided organization development consulting and facilitation to an assortment of businesses in the areas of leadership and teams. He has been published in leading journals and presented topics at the regional, national, and international levels.
