

## Continuing Education Credit

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the Joint Providership of the University of Iowa Roy J. and Lucille A. Carver College of Medicine and Iowa City Hospice. The University of Iowa Carver College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

**Physicians:** The Carver College of Medicine designates this educational live activity for a maximum of 3.5 *AAMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**This program will provide physician credit toward Iowa Board of Medicine requirements for education in End of Life care and Pain Management Training.**

**Nurses:** The University of Iowa College of Nursing is an Iowa Board of Nursing approved provider, Number 1. Full time attendance for this program will award 4.2 contact hours or .42 CEUs.

**Social Workers:** This program is intended to meet the requirements for 3.50 hours of social work continuing education.

**Other health care professionals** will be provided a certificate of attendance for requesting credits in accordance with state boards, specialty societies, or other professional associations.

## Enhancing Person-Centered Care through Advance Care Planning

Friday, October 20th, 2017  
8:00 a.m.-12:00 p.m.

University of Iowa  
College of Public Health  
145 North Riverside Drive  
Iowa City, Iowa

We are grateful to the following sponsors who make this event possible: Iowa City Hospice, University of Iowa Health Care, University of Iowa College of Public Health, Oaknoll, Lensing Funeral and Cremation Service, Hills Bank and Trust, and the University of Iowa College of Nursing.

## **Description of Event:**

This conference will highlight best practice methods and clinical benefits of Advance Care Planning (ACP) throughout the lifespan.

## **Statement of Purpose:**

To educate health care professionals and community health leaders on the benefits of advance health care planning and the importance of providing a systematic, interdisciplinary approach to care.

## **Objectives:**

- 1) Identify ways to enhance person-centered care to LGBTQ patients throughout the lifespan
- 2) Discuss advance care planning and goals of care conversations utilizing an interdisciplinary approach across the continuum of care
- 3) Review IPOST (Iowa Physician Orders for Scope of Treatment) best practices and implementation strategies in primary care, pediatrics, nursing home and hospice settings
- 4) Describe lessons learned on providing person-centered and family-oriented care

## **Agenda**

## **Registration**

Health care professionals, lawyers, community health leaders, clergy, spiritual counselors, and students are encouraged to register. Refer to the registration form for the four ways to register: mail, telephone, fax or online. An email confirmation will be sent upon receipt of completed registration form.

## **Cancellation Policy**

No refunds will be given for cancellations.

## **Faculty Disclosure**

As a provider accredited by ACCME, University of Iowa Hospitals and Clinics must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity have disclosed all relevant financial relationships with commercial interests as defined by the ACCME. Disclosure of financial relationships will be available in course materials so those participants in the activity may formulate their own judgments regarding the presentations.

## **Non-Discrimination and Disability Statement**

The University of Iowa and Iowa City Hospice prohibit discrimination in employment, educational programs and activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy, disability, genetic information, status as a U.S. veteran, service in the U.S. military, sexual orientation, gender identity, associational preferences, or any

other classification that deprives the person of consideration as an individual. The University also affirms its commitment to providing equal opportunities and equal access to University facilities. For additional information on nondiscrimination policies, contact the Director, Office of Equal Opportunity and Diversity, the University of Iowa, 202 Jessup Hall, Iowa City, IA, 52242-1316, (319) 335-0705 (voice), 319-335-0697 (TDD), [diversity@uiowa.edu](mailto:diversity@uiowa.edu).

Individuals with disabilities are encouraged to attend all University of Iowa sponsored events. If you are a person with a disability who requires an accommodation in order to participate in this program, please contact the Continuing Medical Education Division in advance at (319) 335-8599 or Jane Dohrmann at (319) 688-4214.

## **Planning Committee**

Jane Dohrmann, MSW, LISW, Iowa City Hospice; Anjali Deshpande, PhD, MPH, University of Iowa College of Public Health; Noelle K. Andrew, MDiv, BCC, University of Iowa Hospitals and Clinics; Amalia Gedney-Lose, DNP, ARNP, FNP-C, Mercy Family Medicine of Columbus Junction; Emily Edrington, BA, Community Outreach Specialist, Iowa City/Johnson Country Senior Center; Tom Walljasper, Community and Staff Engagement, University of Iowa Health Care.

## **Conference Location and Parking**

The conference will be held at the UI College of Public Health Building, N110 CPHB Callaghan Auditorium, 145 North Riverside Drive, Iowa City, Iowa. Directions to the College of Public Health Building and New Road Park Ramp may be found at the following website: [www.public-health.uiowa.edu/find-the-college](http://www.public-health.uiowa.edu/find-the-college)

A limited number of short-term, metered visitor spaces are available at the College of Public Health Building. We recommend parking in the Newton Road Parking Ramp (360 Newton Road) and taking the pedestrian bridge over Highway 6 to the College of Public Health Building. The pedestrian bridge is handicap accessible.

## **Syllabus Materials**

Course syllabus materials will be emailed as a link to registered participants the week of the conference. Print copies of the syllabus will not be provided. You are encouraged to download or print materials you wish to use in advance. A limited number of outlets may be available so it is recommended to have a fully charged battery for laptops and tablets.

## **Additional Information**

Honoring Your Wishes™ is an advance care planning program under the leadership of Iowa City Hospice and a community-wide advisory board. Its mission is to promote a community-wide advance care planning process in which individuals' health care preferences are discussed, documented, and honored by families, friends, and the health care community. For further information, please go to [www.honoringyourwishes.org](http://www.honoringyourwishes.org).
